Description	
Started POST "/reports" for 10.35.27.25 at Sun Jan 20 15:28:20 +0000 2013 Processing by ReportsController#create as	
SSL is required - request from 10.35.27.25 Redirected to http://foreman/users/login Operation FAILED: Render and/or redirect were called multiple times in this action. Please note that you may only call render OR redirect, and at most once per action. Also note that neither redirect nor render terminate execution of the action, so if you want to exit an action after redirecting, you need to do something like "redirect_to(...)" and return". Completed 500 Internal Server Error in 135ms	
AbstractController::DoubleRenderError (Render and/or redirect were called multiple times in this action. Please note that you may only call render OR redirect, and at most once per action. Also note that neither redirect nor render terminate execution of the action, so if you want to exit an action after redirecting, you need to do something like "redirect_to(...)" and return".): app/controllers/application_controller.rb:290:in `generic_exception'	

Associated revisions

Revision 8392a8c6 - 01/23/2013 03:48 AM - Dominic Cleal

fixes #2146 - prevent double render

Revision 44c039e1 - 01/23/2013 07:08 AM - Ohad Levy

refs #2146 - ensures redirect does not break on api requests too

History

#1 - 01/20/2013 10:44 AM - Ohad Levy

this imho caused as the require_login can redirect to the login page.

#2 - 01/22/2013 09:02 AM - Dominic Cleal

- Status changed from New to Ready For Testing
