Revision a79b633b - 01/23/2013 03:41 AM - Dominic Cleal

fixes #2151 - use DN environment variable instead of CN

nginx is unable to pass bits of the X.509 subject, only the entire DN, so support that as a lowest common denominator.

History

#1 - 01/22/2013 12:43 PM - Dominic Cleal

- Status changed from New to Ready For Testing

- Target version set to 1.1

<https://github.com/theforeman/foreman/pull/389>

I was going to change the rDNS scheme as well, but decided that I'll mention it in my e-mail to foreman-users to get feedback (will send as soon as the installer PR's merged).

#2 - 01/23/2013 05:23 AM - Dominic Cleal

- Status changed from Ready For Testing to Closed

- % Done changed from 0 to 100
