Pull request:			

Description

Similar to #2256, but for the proxy the following is needed:

- Jenkins rake tasks need to support minitest for Ruby 1.9
- Fix settings loading under 1.9 (PLATFORM constant)
- Specify rdoc and minitest in test bundler group to fix old versions on Ruby 1.9.2
- util which tests should test for 1.9 and not 1.9.3 specifically

Associated revisions

Revision 0acfdc97 - 03/04/2013 02:45 AM - Dominic Cleal

fixes #2261 - fixes for CI testing under Ruby 1.9

Support minitest in Jenkins rake tasks, add rdoc and minitest deps due to
old 1.9.2 versions. Fix PLATFORM under 1.9, fix 1.9.3 specific test.
