Foreman - Feature #228

Query interface requires a fact or a class, just state is not enough.

04/29/2010 03:55 AM - Bash Shell

Status: Closed Priority: Normal Assignee: Ohad Levy Category: Search Target version: 0.1-6 Difficulty: Fixed in Releases: Triaged: No Bugzilla link: Found in Releases: Bugzilla link: Red Hat JIRA: Pull request: It would be nice to retrieve a list but without requiring a class or a fact. For example: Getting a list of all out of state Hosts regardless of additional criteria. Related issues: Found in Release of additional criteria.
