

## Foreman - Feature #22916

### Reports searching by last report column is confusing

03/16/2018 12:28 PM - Marek Hulán

<b>Description</b> we can search reports by "reported" column but that's a database name, not a label we use in a table. This confuses users, they try to put the same name as they see in table. We should provide an alias.	

#### Associated revisions

Revision [9c834b3f](#) - 03/19/2018 09:25 AM - Marek Hulán

Fixes #22916 - add alias for last\_report search
