<b>Target version:</b>	
<b>Pull request:</b> <a href="https://github.com/foreman/foreman/pull/7394">https://github.com/foreman/foreman/pull/7394</a>	<b>Found in Releases:</b>
<b>Fixed in Releases:</b>	
<b>Description</b> as part of migrating to SPA, we need to drop turbolinks.  However, since not all UI will be rewritten, it make sense to keep some of turbolinks "functionality" especially, the ability to load only a partial html from the server, without a full page reload.	
<b>Subtasks:</b> Task # 23450: introduce react-router <span style="float: right;"><b>New</b></span> Task # 23451: move all javascript/css assets to webpack <span style="float: right;"><b>New</b></span>	
<b>Related issues:</b> Related to Foreman - Bug #11884: Turbolinks load some pages twice <span style="float: right;"><b>Duplicate</b></span> Related to Foreman - Refactor #20961: Turbolinks Classic is not Rails 5.1 com... <span style="float: right;"><b>Closed</b>    09/16/2017</span> Related to Foreman - Refactor #27990: Move away from turbolinks-classic <span style="float: right;"><b>Resolved</b></span>
