Description

Hi all,

got the following issue. When tidying logfiles with puppet the foreman report gets marked as failure. Please have a look on both attached pictures, its better than a long explanation.

Thanks
Jan

fixes #238 - Report wrong marked

History

#1 - 05/05/2010 10:12 AM - Ohad Levy

I would need to see the content of the report in order to understand the bug (e.g. if its a puppet bug or a foreman bug).
could you please do the following - goto foreman directory and type:
./script/console production
<wait for prompt>
Report.find(83402).log

and attache the output.

Thanks.

#2 - 05/05/2010 11:45 AM - Jan Doleschal

Here the console output:

        Report.find(83402).log

=> #<Puppet::Transaction::Report:0x2b80aad0d350 @host="zd-gis-s6.zdkwh.mlrbw.net", @records={},

Thanks!

#3 - 05/05/2010 03:42 PM - Ohad Levy

the attached reports "Skipped"- 10, thats why it reports it as an error.

do you have any idea why you have skipped values?

#4 - 05/06/2010 07:19 AM - Jan Doleschal

I´m scheduling some resources, could this cause the skips?

#5 - 05/06/2010 12:21 PM - Ohad Levy

can you try running with --ignoreschedule ?
this might be my motivation to remove the skipped from the report types which are considered as errors.

#6 - 05/06/2010 12:52 PM - Jan Doleschal

Ok,

that´s it! When running with --ingoreschedule the reports are marked correct.

Thanks for the quick response

Jan

#7 - 05/06/2010 01:57 PM - Ohad Levy

- Status changed from New to Ready For Testing

- % Done changed from 0 to 100

Applied in changeset [c9140ad1a135b6c84b8a98c8b76b1486e8e5f3c7](#).

#8 - 05/06/2010 01:59 PM - Ohad Levy

- Category set to Puppet Reports

- Status changed from Ready For Testing to Closed

- Assignee set to Ohad Levy

- Target version set to 0.1-5
