Revision 3a31019a - 06/19/2018 12:15 PM - Ewoud Kohl van Wijngaarden

Fixes #23825 - Add exporting to Rakefile.dist

The benefit is that you no longer need the full bundle stack installed.
We also output the generated filename for use in scripts.

Revision bdbbecb9 - 06/20/2018 01:20 PM - Ewoud Kohl van Wijngaarden

Refs #23825 - Improve the rake task for tarballs

This introduces the name variable so that's the single line where it differs from the smart-proxy task.

It also adds a check on the git archive tasks exit status.
