Description

With yesterday's release of foreman-tasks, tests are now erroring:

```
Failure:
Katello::Api::V2::RepositoriesControllerTest#test_remove_content [/var/lib/workspace/workspace/kat
ello-pr-test/test/controllers/api/v2/repositories_controller_test.rb:701]:
Expected response to be a <2XX: success>, but was a <500: Internal Server Error>
Response body: {"displayMessage":"undefined method `get_humanized' for #\u003cForemanTasks::Task:0
x000000077384470\u003e\nDid you mean?  humanized","errors":["undefined method `get_humanized' for
 #\u003cForemanTasks::Task:0x000000077384470\u003e\nDid you mean?  humanized"]}

bin/rails test /var/lib/workspace/workspace/katello-pr-test/test/controllers/api/v2/repositories_c
ontroller_test.rb:694
```

Revision a333a273 - 06/15/2018 01:32 PM - Stephen Benjamin

fixes #23954 - test stubs should return dynflow task

ForemanTask.async_task returns a dynflow task, and tests that stub this
should also return the same class of object. ForemanTask::Task doesn't
have all the same methods as Task::DynflowTask, e.g. get_humanized.
