Description

We have a Rakefile.dist that can be run without the whole bundle installed. It'd be great if we could use this to generate the tarball. This should be possible because the rake task is essentially a script around git archive.

Revision fbd693d4 - 06/20/2018 01:20 PM - Ewoud Kohl van Wijngaarden

Fixes #24016 - Allow building a tarball without bundle

This allows generation of the source tarball without the whole bundle installed. It also prints the generated filename.
