Description	
How to reproduce:	
<ol style="list-style-type: none">1. Go to hosts/hostgroups index page2. Click on create new host/hostgroup - will go to the new host/hostgroup page3. Create host/hostgroup and submit - will go to the index page4. Click on the new host/hostgroup - will go to the new created host/hostgroup5. Click back - <u>nothing happen</u> - should go back to the index page6. Click back again - will go to the new host/hostgroup page
