

Foreman - Bug #2513

orgs newly created in katello do not appear in "Any Context" filtering

05/20/2013 11:16 AM - Tomáš Strachota

Status: Closed	
Priority: Normal	
Assignee: Tomáš Strachota	
Category: Plugin integration	
Target version: 1.2.0	
Difficulty:	Fixed in Releases:
Triaged: No	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
Description of problem: When user creates a new org and its environments, if desired, said Org appears in the Hosts > New Hosts UI. However, if user browses the "Any context" dropdown, new orgs do not appear.	
Version-Release number of selected component (if applicable):	
How reproducible:	
Steps to Reproduce: 1. Login to katello-foreman product and create a new org, "Fibble" 2. Navigate to /foreman 3. Hosts > New Host 4. Click the "Organization" dropdown and note the presence of your newly created org 5. From the main Foreman UI navbar, choose go to Any Context > Any Organization 6. View results	
Actual results: Only ACME_Corporation appears	
Expected results: Results for all existing and newly created orgs.
