Description	
When running in production mode and after running rake gettext:pack, or using the packages, no locales are listed in the dropdown menu in the user settings, or does setting locale= work.	

Associated revisions

Revision 40b31d27 - 05/28/2013 10:49 AM - Tomáš Strachota

fixes #2536 - loading locale .mo files in production mode

- initializer script fixed to look for **.mo files**
- **Makefile updated to place *.mo into /locale/LC_MESSAGES**
(rake gettext:pack places them there as well)
- *.mo files added to foreman.spec

Revision 39eff78f - 05/28/2013 12:10 PM - Tomáš Strachota

fixes #2536 - loading locale .mo files in production mode

- initializer script fixed to look for **.mo files**
- **Makefile updated to place *.mo into /locale/LC_MESSAGES**
(rake gettext:pack places them there as well)
- *.mo files added to foreman.spec
