

Foreman - Bug #2568

Foreman Installer node.rb script not working with 1.2

05/26/2013 06:59 PM - Anonymous

Status: Closed	
Priority: Normal	
Assignee: Dominic Cleal	
Category: Puppet integration	
Target version: 1.2.0	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
in the node.rb, installed by the foreman installer, in def enc(certname) I had to change the line: req = Net::HTTP::Get.new(foreman_url) to: req = Net::HTTP::Get.new(uri.path + "?" + uri.query)	
I'm a little perplexed because the first works with 1.1, but seems to no longer work in 1.2, which makes little sense to me. Not sure if anyone else can reproduce.

Revision b7ba7c3c - 05/27/2013 06:37 AM - Dominic Cleal

fixes #2568 - don't pass entire URL to Get, use request_uri consistently

History

#1 - 05/27/2013 03:07 AM - Dominic Cleal

- Category set to Puppet integration

- Target version set to 1.2.0

#2 - 05/27/2013 03:47 AM - Dominic Cleal

- Status changed from New to Ready For Testing

- Assignee set to Dominic Cleal

I can't reproduce this and can't think why it would change (my RHEL 6.4 installer host is fine), but the docs agree with your fix, so let's do it.
