<b>Description</b>	
<p>This is kind of a non-issue but I think it should be corrected on the long run.</p> <p>Foreman uses the terminus (Installation) Media as singular and Medias as plural, which is wrong. The correct singular is "Medium" and plural is "Media".</p> <p>ActiveSupport::Inflector supports this irregular pluralization out-of-the-box:</p> <pre># script/console Loading development environment (Rails 2.3.5) &gt;&gt; "medium".pluralize =&gt; "media"</pre>
