Foreman - Bug #26381

In Ovirt: You can create a disk with empty disk interface property.

03/17/2019 03:59 PM - Shimon Shtein

Triaged:	No	**Found in Releases:**	
Bugzilla link:		**Red Hat JIRA:**	
Pull request:	https://github.com/theforeman/foreman/pull/7040		

Description

This will lead to:

```
Failed to create a compute oris ovirt4 (oVirt) instance shim-irvin-preite.dummy: Fault reason is "
Invalid value". Fault detail is "The string '' isn't a valid value for the 'DiskInterface' enumera
ted type. Valid values are: 'ide', 'virtio_scsi', 'virtio', 'spapr_vscsi'.". HTTP response code is
 400
```

exception.

We should remove an empty Disk interface option from the UI.
