

Foreman - Bug #2639

After creating user with empty e-mail it becomes impossible to add it.

06/10/2013 10:20 AM - Taylan Develioglu

Status: Closed	
Priority: Normal	
Assignee: Amos Benari	
Category:	
Target version: 1.2.0	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
Steps:	
1) Create user, leave e-mail field blank (user was admin in this case)	
2) Log in as this user, user edit field is presented	
3) Try filling in e-mail address and submit.	
Logging in as another admin user and trying to fill in the e-mail results in the same issue.
