

Foreman - Bug #26497

Operating system generation from puppet facts

04/01/2019 09:25 AM - Richard Stempf

Status:	New	Fixed in Releases: Found in Releases: 1.20.0 Red Hat JIRA:
Priority:	Normal	
Assignee:		
Category:	Facts	
Target version:		
Difficulty:		
Triaged:	Yes	
Bugzilla link:		
Pull request:		
Description Puppet sends facts to Foreman. Foreman will create an exact OS version from this information as stated in the facts. This is not what Foreman should do.		

History

#1 - 04/02/2019 08:07 AM - Lukas Zapletal

- Category set to Facts
- Triaged changed from No to Yes

Hello, it is confusing indeed.
