

Foreman - Bug #26614

Report templates don't save with '.csv' extension

04/15/2019 03:18 PM - John Mitsch

Status: New	
Priority: Normal	
Assignee:	
Category:	
Target version:	
Difficulty:	Fixed in Releases:
Triaged: No	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
Instead, it saves as 'txt' by default, but is in csv format.	
To reproduce, go to Monitor > Report templates and generate a report	
Also, it would be nice if an empty report still had the CSV headers at the top, right now it is blank. (I can file a separate issue if needed)	

History

#1 - 04/16/2019 03:34 PM - Marek Hulán

Please open the empty report as a separate issue (unless it exists already). The suffix can not be now determined and should be probably fixed altogether with [#25732](#)
