Pull request:	
Description Many of the translations for strings that go via s_() still contain the table name and pipe symbol, which needs removing. This needs doing in Transifex and an announcement made to help translators.	

History

#1 - 06/26/2013 04:00 AM - Benjamin Papillon

French translation has been checked again, no pipe are listed anymore

#2 - 07/02/2013 07:20 AM - Dominic Cleal

- Status changed from Assigned to Closed

- % Done changed from 0 to 100
