

Installer - Feature #27166

Add wait_after_restart and options settings to Infoblox config

06/26/2019 01:53 PM - Lukas Zapletal

Status:	Ready For Testing	
Priority:	Normal	
Assignee:	Lukas Zapletal	
Category:		
Target version:		
Difficulty:	trivial	Fixed in Releases:
Triaged:	Yes	Found in Releases:
Bugzilla link:	1724228	Red Hat JIRA:
Pull request:	https://github.com/theforeman/puppet-for-eman_proxy/pull/517	
Description		
These were recently introduced.		

History

#1 - 06/26/2019 02:11 PM - Lukas Zapletal

- Status changed from New to Ready For Testing
- Pull request https://github.com/theforeman/puppet-foreman_proxy/pull/517 added

#2 - 01/18/2021 03:43 PM - Tim Eilers

Lukas: Is this and the pending PR holding back having version 0.0.16 packaged in the debian package repo?
