History

#1 - 07/04/2013 03:33 AM - Peter Gustafsson

The user did not belong to the Org and Location after adding the user to the Org and Location from More => Users => Edit user, It now works.

#2 - 07/04/2013 05:53 AM - Greg Sutcliffe

- Status changed from New to Feedback

Glad you got it sorted - Can we close this? Or is there more discussion to be had around Orgs & Locs?

#3 - 02/27/2014 03:49 PM - Benjamin Papillon

- Description updated
- Status changed from Feedback to Closed

I'm closing the bug as there has been no feedback over few months now. Please feel free to open a new ticket or reopen this one for more informations.
