

## Foreman - Bug #27528

### New input in report template does not allow user to choose Resource Type

08/06/2019 02:24 PM - Ondřej Ezr

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b> Ondřej Ezr	
<b>Category:</b> Reporting	
<b>Target version:</b>	
<b>Difficulty:</b>	<b>Fixed in Releases:</b> 1.22.1, 1.23.0
<b>Triaged:</b> No	<b>Found in Releases:</b>
<b>Bugzilla link:</b> 1728676	<b>Red Hat JIRA:</b>
<b>Pull request:</b> <a href="https://github.com/foreman/foreman/pull/6955">https://github.com/foreman/foreman/pull/6955</a>	
<b>Description</b> Cloned from <a href="https://bugzilla.redhat.com/show_bug.cgi?id=1728676">https://bugzilla.redhat.com/show_bug.cgi?id=1728676</a>	
<b>Description of problem:</b> When you create or edit Report Template, there is no Resource type in new input (inputs tab), when value type is selected to search. Resource type is shown only after user action, for example submit.	
<b>Version-Release number of selected component (if applicable):</b> This was found on sat 6.6 snap 7.	
<b>How reproducible:</b> Always	
<b>Steps to Reproduce:</b> 1. Create or Edit Report Template 2. Open Inputs tab, click on Add input, 3. Change Value Type from Plain to Search	
<b>Actual results:</b> After value type is equal to Search, there is no line with Resource Type to choose. When steps are done and user make an action (for example user submits Report Template), then resource type is visible.	
<b>Expected results:</b> Resource type should be visible immediately after value type is set to search.
