Pull request:			

Description

Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1720364

Description of problem:
Clicking the link to 'Reset Puppet Environment' on host tab clears the Partition Template area on the Operating System tab.

Version-Release number of selected component (if applicable):
6.5

How reproducible:
100% for hosts with a host group that does not have a puppet environment defined

Steps to Reproduce:
1. Create host group with no puppet environment
2. Create host to be added to host group
3. Click 'Reset Puppet Environment' link

Actual results:
Partition Template cleared

Expected results:
Partition Template unaffected

Additional info:

History
