

Foreman - Bug #27646

Notification window is not big enough to show the whole message.

08/16/2019 09:53 PM - Walden Raines

Status: Closed	
Priority: Low	
Assignee: Amir Fefer	
Category:	
Target version:	
Difficulty:	Fixed in Releases:
Triaged: No	Found in Releases:
Bugzilla link: 1567784	Red Hat JIRA:
Pull request:	
Description Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1567784	
Description of problem: When notification messages are a little long, they get cropped out due to the window being too small. Sometimes the scrollbar isn't visible and it's time-consuming to scroll to see a message which can be removed with a single click.	
Version-Release number of selected component (if applicable): Satellite 6.3	
How reproducible: Every time	
Related issues: Has duplicate Foreman - Bug #27645: Notification window is not big enough to ... Duplicate	

History

#1 - 08/20/2019 02:28 PM - Amir Fefer

- File Screenshot from 2019-08-20 17-24-34.png added

Works well on develop, as you can see at the attached screenshot

#2 - 08/20/2019 02:30 PM - Walden Raines

- Priority changed from High to Low

Perhaps we close this then, it could be a no-op and already fixed.

#3 - 08/21/2019 05:41 PM - Walden Raines

- Status changed from New to Closed

This works in develop so closing.

#4 - 08/25/2019 05:08 PM - Tomer Brisker

- Has duplicate Bug #27645: Notification window is not big enough to show the whole message. added
