

Katello - Bug #28216

React duplicate key error on Subscriptions page

11/07/2019 06:02 PM - Swetha Seelam Lakshmi Narayanan

Status: Rejected	
Priority: Normal	
Assignee: Swetha Seelam Lakshmi Narayanan	
Category: Web UI	
Target version: Katello Recycle Bin	
Difficulty: easy	Fixed in Releases:
Triaged: No	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
Duplicate key error when there are two or more expandable rows in the subscription page.	
Warning: Encountered two children with the same key, `0-row`. Keys should be unique so that components maintain their identity across updates. Non-unique keys may cause children to be duplicated and/or omitted — the behavior is unsupported and could change in a future version.
