Pull request:	https://github.com/theforeman/foreman/pull/7366		

Description

Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1681619

Description of problem:

Disable the option to enter a MAC address after selecting a compute resource while creating new hosts through Satellite, as it's not possible to provision hosts with particular mac address, as per bz https://bugzilla.redhat.com/show_bug.cgi?id=1468274

Version-Release number of selected component (if applicable): 6.4
