### Description

File is attached.

```
/usr/local/foredevJun1/extras/puppet/foreman/files/push_facts.rb:34: Could not send facts to Foreman: wrong Content-Length format (RuntimeError)
    from /usr/local/foredevJun1/extras/puppet/foreman/files/push_facts.rb:26:in `each'
    from /usr/local/foredevJun1/extras/puppet/foreman/files/push_facts.rb:26
```

The rake task seems to import this OK.

## Associated revisions

### Revision 895a7680 - 06/02/2010 08:34 AM - Ohad Levy

fixes #295 -  This YAML generates a 500 error when trying to send over http

## History

### #1 - 06/01/2010 07:38 PM - Bash Shell

I think this is because the Host and or facts for it exist already and are un-changed?

If so, then a 500 error is not the best indication?

### #2 - 06/02/2010 04:56 AM - Ohad Levy

that should not be the case, 500 should indicate a problem saving the facts, I'll investigate

### #3 - 06/02/2010 08:43 AM - Ohad Levy

*- Status changed from New to Ready For Testing*

*- % Done changed from 0 to 100*

Applied in changeset 895a7680b4765a509637d886af640ae44af91fee.

### #4 - 06/02/2010 08:46 AM - Ohad Levy

*- Category set to Importers*

*- Assignee set to Ohad Levy*

*- Target version set to 0.1-5*

### #5 - 06/04/2010 12:24 AM - Bash Shell

This was because of an out dated mongrel gem.
I though of this when I got a similar error from the external nodes script.

I just ran gem update on this machine.

Sorry for the ticket...

I guess we can have something in the FAQ about checking mongrel/other gems which might affect http .

**#6 - 06/04/2010 03:03 AM - Ohad Levy**

*- Status changed from Ready For Testing to Closed*

would you mind adding your experiences to the [troubleshooting](#) section?
