Fixes #29507 - Add puma-status for reporting

Revision 5d758b5a - 04/27/2021 02:20 PM - Evgeni Golov

Refs #29507 - use /usr/share/foreman/tmp not /run/foreman

/usr/share/foreman/tmp is a symlink to /run/foreman on EL, and /var/cache/foreman on Debian

As we create the state file in {Rails.root}/tmp, let's also look for it in {Rails.root}/tmp, and not something it might or might not link to.
