Fixes #298 - Add tests to unattended controller

on the way, I've fixed a few bugs:

- When OS is successfully installed, it tells foreman it was installed when having roles enabled, Foreman would not allow an anonymous user to change the settings
- text/plain was only being set for spoof operations
- all unattended actions required authorization, that's clearly wrong.

#### History

##### #1 - 11/08/2010 06:54 PM - Ohad Levy

- Category set to Tests

- Assignee set to Ohad Levy

##### #2 - 11/08/2010 08:35 PM - Ohad Levy

- Status changed from New to Ready For Testing

- % Done changed from 0 to 100

Applied in changeset [b34e9aea07098335017a93ce3ad76742264e02b7](#).

##### #3 - 11/08/2010 09:45 PM - Ohad Levy

- Status changed from Ready For Testing to Closed
