

Foreman - Bug #31212

Registration form parameters (such as insights) should always set the value if it's not an empty string

10/29/2020 06:38 PM - Marek Hulán

Status: Closed	
Priority: Normal

Description	
There was a misunderstanding on my side of the behavior. I didn't realize we aim to allow also blank value to be set. If explicit value yes or no is set, we should always set that through --data in HRT
