#### #3 - 11/04/2020 07:07 PM - Ian Ballou

- Target version changed from Katello 3.18.0 to Katello 4.0.0

- Triaged changed from No to Yes

Since this relates to migration task cancelling, we need to determine the priority level and whether or not it should be on 3.18.

#### #4 - 11/05/2020 02:35 PM - Ian Ballou

- Target version changed from Katello 4.0.0 to Katello 3.18.0

This should stay on 3.18 because it doesn't make sense to have once Pulp 2 is gone.
