Pull request:	https://github.com/foreman/foreman/pull/8122	
Description		
DateSelect doesn't show value by default to hide it's internal Date() default. But if there is preselected value by value="date" prop it should be shown to the user.

Fixes #31241 - show datePicker default value

By default we hid the default value from user to prevent showing the default date.
But if prop value is passed, we need to show that value.
