

Foreman - Refactor #32258

Change default implementation of to_status to noop

04/06/2021 03:16 PM - Shimon Shtein

Status: Closed	
Priority: Normal	
Assignee: Shimon Shtein	
Category: Plugin integration	
Target version:	
Difficulty:	Fixed in Releases: 2.5.0
Triaged: No	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request: https://github.com/foreman/foreman/pull/8430 , https://github.com/foreman/foreman/pull/8459	
Description Currently to_status method (https://github.com/foreman/foreman/blob/f5bfce8bc5cab43fa66c362d40ee843e0783fe72/app/models/host_status/status.rb#L29) of status subclasses throws an exception if not implemented. There are cases that need external event to happen in order to determine the correct status for a host. For such cases to_status method is unnecessary, and probably won't be implemented. We need to change the default implementation to noop
