<b>Target version:</b>		
<b>Difficulty:</b>		<b>Fixed in Releases:</b> 2.5.3, 3.0.0
<b>Triaged:</b>	No	<b>Found in Releases:</b>
<b>Bugzilla link:</b>	1967066	<b>Red Hat JIRA:</b>
<b>Pull request:</b>	<a href="https://github.com/theforeman/foreman/pull/8680">https://github.com/theforeman/foreman/pull/8680</a> , <a href="https://github.com/theforeman/foreman/pull/8707">https://github.com/theforeman/foreman/pull/8707</a>	

#### Description

Cloned from [https://bugzilla.redhat.com/show\\_bug.cgi?id=1967066](https://bugzilla.redhat.com/show_bug.cgi?id=1967066)

#### Description of problem:

[global registration] - default packages are overridden by host package even if not specified registration form (--force should work)

#### Version-Release number of selected component (if applicable):

Satellite 6.10 snap 2

#### How reproducible:

always

#### Steps to Reproduce:

1. fill the registration form with filling the package name e.g. php
2. generate the registration command
3. register host with command
4. now fill the 'host packages' parameter in the organization e.g. vim emacs mlocate
5. reregister the host again with --force option check

#### Actual results:

Host get registered with installing old packages

#### Expected results:

Host should get re-registered with installing default packages

#### Additional info:

--force should clean the host package parameter from the host if not overridden

#### Associated revisions

##### Revision fe6b3648 - 07/28/2021 01:19 PM - Leos Stejskal

Fixes #32780 - Delete host params when register host

#### History

##### #1 - 06/11/2021 08:30 AM - Leos Stejskal

- Subject changed from [global registration] - default packages are overridden by host package even if not specified registration form to Default packages are overridden by host package even if not specified registration form

- Category set to Host registration

##### #2 - 07/20/2021 11:14 AM - The Foreman Bot

- Status changed from New to Ready For Testing

- Pull request <https://github.com/theforeman/foreman/pull/8680> added

**#3 - 07/28/2021 01:19 PM - The Foreman Bot**

- Fixed in Releases 3.0.0 added

**#4 - 07/28/2021 02:08 PM - Anonymous**

- Status changed from Ready For Testing to Closed

Applied in changeset [foreman|fe6b364852abf2091687b55f592ab0166b253508](#).
