Description	
<p>I tried to create a host via FAM, which didn't work, so I tried Hammer and it gives the same error. I also tried to create a host without a host group and with different settings, but nothing helped.</p> <p>Using a other Image/OS didn't help too.</p> <p>Using the webui works fine</p> <p>Steps to Reproduce:</p> <ol style="list-style-type: none">1. create a image for vmware and add it to foreman2. Use this image to create a host via hammer/FAM3. This error appers: <p>Failed to create a compute VMWarecluster (VMware) instance name.i.t.t: comparison of String with 26214400 failed</p>
