Pull request: https://github.com/foreman/foreman/pull/8711 , https://github.com/foreman/foreman/pull/8770 , https://github.com/foreman/foreman/pull/8771	
Description	
Today's template shows every output at chronological order. However it can be confusing for users.	
So best way how to avoid it is improve template to show all outputs for host at one row and show different output types at different columns .
