<b>Description</b>		
I was able to initially access the Provisioning Templates page, but having added some additional operating systems, I'm no longer able to access the Templates page. Not sure if the two are related.		

### History

#### #1 - 08/17/2021 09:43 AM - Tomer Brisker

- Target version deleted (3.0.0)

Thanks for reporting!

Looks like the issue is actually in the puppet plugin, [https://github.com/theforeman/foreman\\_puppet/issues/178](https://github.com/theforeman/foreman_puppet/issues/178), and has been fixed already. Closing this one.
