Description

nWe need to expose the worker timeout here:

https://github.com/pulp/pulpcore/blob/master/docs/configuration/settings.rst#worker_ttl

so that users can adjust this

Associated revisions

Revision 69bdebcc - 10/07/2021 09:14 AM - Eric Helms

Fixes #33446: Allow setting the time until a worker is considered lost

This change implements the WORKER_TTL setting which lets Pulp decide
how long to wait for a worker to respond before considering it gone
and cleaning up it's database and re-assiging work.
