Foreman - Bug #33570

Unlocking a locked template does nothing

09/27/2021 07:09 AM - Marek Hulán

Status:	Closed		
Priority:	Normal		
Assignee:	Oleh Fedorenko		
Category:	Templates		
Target version:			
Difficulty:		**Fixed in Releases:**	3.1.0
Triaged:	No	**Found in Releases:**	
Bugzilla link:		**Red Hat JIRA:**	
Pull request:	https://github.com/theforeman/foreman/pull/8798		

Description

When I click on the unlock button in Provisioning templates, a modal window to confirm is opened but clicking the Confirm button does nothing. No error in browser console, no entry in the production.log. It just disappears and the template is still locked. Like it was cancel. This is likely a regression in nightly introduced by #32880
