Fixes #34603 - deprecate non-DSL setting definitions

This allows conversion to Zeitwerk by moving the non-DSL setting to only
to_prepare phase. We no longer require the Setting classes manually.
If the plugins want to continue using the old way,
plugins need to require the Setting classes manually.

History

#1 - 03/14/2022 11:39 AM - The Foreman Bot

- Status changed from New to Ready For Testing

- Assignee set to Ondřej Ezr

- Pull request https://github.com/theforeman/foreman/pull/9150 added
