Description		
Currently you cannot copy any text from diff output in foreman's web interface.		
How to reproduce:		
<ul style="list-style-type: none">- Login to foreman web interface- Got to: More => Provisioning => Provisioning Templates- Click on any template with recent changes- Got to tab "History"- Click "Show diff"- Try to copy something from the diff output		
Result:		
You are unable to copy anything from the diff output.		
Expected result:		
You really should be able to copy anything, especially from diff outputs :-)
