History

#1 - 11/15/2022 11:22 AM - Ewoud Kohl van Wijngaarden

- *Project changed from Installer to Packaging*
- *Category changed from foreman-installer script to Debian/Ubuntu*
- *Difficulty deleted (easy)*

There are indeed various plugins that have never been packaged for Debian. Often this is just a lack of time/effort, but no technical reason. PRs to <https://github.com/theforeman/foreman-packaging/tree/deb/develop> are welcome.

#2 - 11/15/2022 11:24 AM - Threatintel-be please_edit_me

Maybe this should be mentioned in the documentation?

#3 - 11/29/2022 05:11 PM - Ewoud Kohl van Wijngaarden

Yes, that would be a good thing to document. Would you be willing to submit a PR to <https://github.com/theforeman/theforeman.org>?
