

Foreman - Bug #3602

Provisioning templates do not support all the documented functions

11/07/2013 03:40 PM - Jason Dillaman

Status: Duplicate	
Priority: Normal	
Assignee: Jason Dillaman	
Category: Templates	
Target version:	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description For example, attempting to use '@host.interfaces' results in the following error: "There was an error rendering the Test template: undefined method 'interfaces' for Host::Managed::Jail (Host::Managed)". The documented set of supported functions is located here: http://projects.theforeman.org/projects/foreman/wiki/TemplateWriting#Functions-and-macros .
