

Katello - Feature #36061

As a user I'd like to have a way to subscribe to email notification for when the repo synchornization fails

02/08/2023 06:14 PM - Marek Hulán

Status:	New	Fixed in Releases: Found in Releases: Red Hat JIRA:
Priority:	Normal	
Assignee:		
Category:	Notifications	
Target version:	Katello Backlog	
Difficulty:	easy	
Triaged:	Yes	
Bugzilla link:		
Pull request:		
Description		
Today, I can only subscribe to successful syncs		

History

#1 - 02/08/2023 06:57 PM - Ian Ballou

- Target version set to Katello Backlog
- Difficulty set to easy

This is a good suggestion!

#2 - 02/08/2023 06:57 PM - Ian Ballou

- Triaged changed from No to Yes

#3 - 02/14/2023 04:49 PM - Marek Hulán

And I realized, it's a dupe of <https://projects.theforeman.org/issues/17748> (which is untriaged), not sure which one we should keep now...
