Katello - Feature #36061

As a user I'd like to have a way to subscribe to email notification for when the repo synchornization fails

02/08/2023 06:14 PM - Marek Hulán

Status:	New		
Priority:	Normal		
Assignee:			
Category:	Notifications		
Target version:	Katello Backlog		
Difficulty:	easy	**Fixed in Releases:**	
Triaged:	Yes	**Found in Releases:**	
Bugzilla link:		**Red Hat JIRA:**	
Pull request:			
Description			
Today, I can only subscribe to successful syncs			

History

#1 - 02/08/2023 06:57 PM - Ian Ballou

- Target version set to Katello Backlog

- Difficulty set to easy

This is a good suggestion!

#2 - 02/08/2023 06:57 PM - Ian Ballou

- Triaged changed from No to Yes

#3 - 02/14/2023 04:49 PM - Marek Hulán

And I realized, it's a dupe of https://projects.theforeman.org/issues/17748 (which is untriaged), not sure which one we should keep now...
