Description		
<p>I'm new to this and thought I would check out the tips for suggesting improvements. The way the page renders, it looks like someone swapped `[]` and `()` . ```</p> <p>Please follow our (generic contributing guidelines for Foreman)[http://theforeman.org/contribute.html#SubmitPatches]. Make sure you create (an issue)[http://projects.theforeman.org/projects/discovery/issues/new] and select "Image" Category. ```</p> <p>This minor change should fix that.</p>
