Description

I'm new to this and thought I would check out the tips for suggesting improvements.
The way the page renders, it looks like someone swapped `[]` and `()`.
```

Please follow our (generic contributing guidelines for Foreman)[http://theforeman.org/contribute.html#SubmitPatches]. Make sure you create (an issue)[http://projects.theforeman.org/projects/discovery/issues/new] and select "Image" Category.
```

This minor change should fix that.
