<b>Description</b> import { ChartPie } from '@patternfly/react-charts'; fails with  TypeError: Cannot read property 'primitiveProps' of undefined at Object.<anonymous> (../foreman/node_modules/@patternfly/react-charts/src/components/ChartCursor Tooltip/ChartCursorFlyout.tsx:111:18) at Object.<anonymous> (../foreman/node_modules/@patternfly/react-charts/src/components/Chart CursorTooltip/index.ts:1:1)  This is probably the package victory-core had a new release 36.9.0 which includes this change: FormidableLabs/victory#2758 which seems to break the use of CommonProps.
