

Katello - Feature #37288

Host Collections widget should respect the errata_status_installable setting

03/21/2024 08:49 PM - Jeremy Lenz

Status: New	
Priority: Normal	
Assignee:	
Category: Host Collections	
Target version: Katello Next	
Difficulty:	Fixed in Releases:
Triaged: Yes	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description The Host Collections dashboard widget is currently red if there are security errata; yellow if there are bugfix errata, and green otherwise. It should respect the errata_status_installable Setting so that these colors can be based on installable errata and not just applicable, if desired by the user. https://community.theforeman.org/t/host-collection-widget/37388/2
